

AUDITION MONOLOGUES

RAPUNZEL

No! I won't stop! For every minute of the rest of my life I will fight! I will never stop trying to get away from you. But if you let me save him, I will go with you. I'll never run, I'll never try to escape - just let me heal him, and you and I will be together forever just like you want. Everything will be the way it was. I promise. Just like you want. Just let me heal him. (beat) Eugene! Oh, I'm so sorry. Everything is going to be okay, though. I promise, but you have to trust me. Come on, just breathe... I can't let you die.

ANNA from "Freaky Friday"

Mr. Bates may I please speak with you? By what stretch of the imagination, I mean, like, how could I, like, get an "F"? I mean, what mistakes did I make? That was a college-level analysis. As a matter of fact I most certainly am qualified of making that point. [As in Hamlet, what's done is done?] That's Macbeth, you know-nothing twit. Bates. Elton Bates. Griffith High School. Well, you asked me, I mean, my mom to the prom, but she turned you down. And now you're taking it out on her daughter, aren't you? Aren't you? Oh come on, it was a high school dance. I mean, you've got to let go and move on, man. And if you don't, I'm sure the school board would love to hear about your pathetic vendetta against an innocent student. Oh, and by the way Elton, she had a boyfriend. And you were weird.

MIA from "The Princess Diaries"

Hi, um... hello. I'm Mia. I'm really no good at speech-making. Normally I get so nervous that I faint or run away, or sometimes I even get sick. But you really didn't need to know that... But I'm not so afraid anymore. See, my mother and father helped me by telling me it was ok, and by supporting me like they have for my entire life. But then I wondered how I'd feel after abdicating my role as Princess of Genovia. Would I feel relieved, or would I feel sad? And then I realised how many stupid times a day I use the word "I." And probably all I ever do is think about myself.... sorry, I'm going too fast. But then I thought, if I cared about the other seven billion people out there, instead of just me, that's probably a much better

use of my time. See, if I were Princess of Genovia, then my thoughts and the thoughts of people smarter than me would be much better heard, and just maybe those thoughts could be turned into actions. So this morning when I woke up, I was Mia Thermopolis. But now I choose to be forevermore, Amelia Mignonette Thermopolis Renaldi, Princess of Genovia.

VERUCA

My daddy always gives me what I want. Some may say he spoils me, HA, I just say he loves me! So last week I saw a sign about some Golden Ticket competition, I didn't really know what they were for but I did know that there were only five in the entire world. I told Daddy I must have one and if I didn't get one, I would scream. That always works, Daddy hates it when I scream - especially when they have paid £50,000 for voice lessons. So anyway, Daddy told his workers to stop what they were doing and take the wrappers of all these candy bars instead. I had to wait a whole three days until they found one, and do you know what? That minimum wage hag tried to steal it! Luckily, Daddy was there to stop her. So now I have my ticket. I still haven't got the eighth pony I've asked for though, if I don't get it soon I shall scream!

CHARLIE from You're A Good Man Charlie Brown

There's that cute little red-headed girl eating her lunch over there. I wonder what she would do if I went over and asked her if I could sit and have lunch with her?...She'd probably laugh right in my face...it's hard on a face when it gets laughed in. There's an empty place next to her on the bench. There's no reason why I couldn't just go over and sit there. All I have to do is stand up...I'm standing up ...I'm sitting down. I'm a coward. I'm so much of a coward, she wouldn't even think of looking at me. She hardly ever does look at me. In fact, I can't remember her ever looking at me. Why shouldn't she look at me? Is there any reason in the world why she shouldn't look at me? Is she so great, and I'm so small, that she can't spare one little moment?...SHE'S LOOKING AT ME SHE'S LOOKING AT ME (he puts his lunch bag over his head).

SCOUT

Before we moved here, we had this big dog named Scout. Mom always said he was a total mutt, but I think he was also part collie. And maybe part golden retriever. But he was definitely at least half mutt. Scout was supposed to be the whole family's dog, but he was really mine. I mean, after school, it was me he would be waiting for. And when anyone threw his ball, I'm the one he always brought it back to. And at night, it was always my bed he slept in. But before we moved here, my Mom found out we weren't allowed to have any pets, so we had to give him away to my cousins. I don't really talk about it, but sometimes I dream about Scout. He's got his ball in his mouth and he's looking for me. And I'm saying, "Here, Scout. I'm right here." But he doesn't hear me, and he can't see me, and I'm saying, "I'm right here. Scout. I'm right here." And then, I don't know, I guess I wake up . . . I don't know if Scout dreams about me.

ROBBIE

You know why I'm always chewing gum? Cause it helps me think. I used to stick my gum on my bedroom wall, blue, lime green, pink, white and strawberry covers my entire wall. It's a pretty cool collage of gum that I've made. There are some guys that play with legos. Heck, there's even some people that make art, even have their constructions in museums. I started chewing gum pieces and got into building things. I was swinging my baseball bat at a piece of gum, trying to hit it forever. When I finally nailed it, it stuck to the bat. I don't know why but I just let it sit there. I was chewing another piece of gum and tried to hit it with my bat but when I finally did, that piece stuck to the first piece. Then I got to thinking, what if I started sticking pieces of gum to pieces of gum and actually make something, like a sculpture. I got my friend Donnie to help me, not with making the sculpture but just with helping me chew up all them pieces and I made my first creation... a gum bat all made out of gum!

How to self tape..

Use a camera or smartphone camera to record a self tape. **Always record in landscape mode.**

Preparation & Setup

1. Set up your filming area in a quiet, bright space with a plain wall or backdrop behind. Shoot in daylight or excellent lighting.
2. Stay in this space. You do not need to travel outside of it or move around unless specified. Tapes need to frame your head and shoulders in landscape mode.

Slate (Introduction video)

1. The camera's framing should display a close up of your head & shoulders whilst you state your introduction and then pan out to show the full length of your body.
2. This is to be filmed in landscape mode and can be delivered directly down the camera lens.
3. If you have no specific guidelines for your slate, you should state your: NAME, AGE, HEIGHT, LOCATION, and if applicable, REPRESENTATION.

Acting

1. Do not look down the lens for your monologue. Lines should be delivered just off camera
2. Speak clearly and slowly and be mindful of your expression and body language.

Singing

1. Record this with a piano accompaniment track or a cappella framing your head and shoulders in landscape mode.
2. Ensure your song cut is the correct length and shows your vocal capabilities.
